	VBRL Format (for banks, finance companies and registered insurers only) Uploaded by: John Doe Uploaded date: 10 Oct 2023, 10:01 AM	

Step 14: If your company is not a solvent exempt private company or a dormant relevant company, you must upload your financial statements in PDF format. Click the "+" button to attach your documents.

Drag and drop files into the box or click "browse files" to upload your PDF Financial Statement.

Important:

When submitting a full set of financial statements in XBRL format, you must also attach a PDF copy of the complete financial statements. This dual submission requirement will remain in effect until system enhancements are implemented.

When uploading your file, ensure the file name includes only alphanumeric characters (letters A-Z, a-z and numbers 0-9). Do not include spaces, special characters (such as ., @, #, \$, %, &, *), or foreign language characters in the filename.

Step 15: Select the directors who signed the Statement by directors. You must also specify the accounting standards used in preparing the financial statements, and the nature of the financial statements. This information can be found in the financial statements.

Important: For dormant relevant company that are not required to prepare financial statements, the field "Director who signed the statement by directors" is optional. In such cases, you may select "Not applicable" for both the accounting standards and nature of financial statements.
