

Reminder to file:

Annual Returns (AR)

Singapore-incorporated companies are reminded to file annual returns by the following due date:

For companies with Financial Year End (FYE) on or after 31 Aug 2018

	Listed companies	Non-listed companies
All companies	Within 5 months after FYE	Within 7 months after FYE
Companies having a share capital and keeping a branch register outside Singapore	Within 6 months after FYE	Within 8 months after FYE

Companies can file annual returns in BizFile+ portal or file seamlessly using accounting software jointly developed by software vendors and ACRA to automate the preparation and filing of AR with ACRA.

Register of Registrable Controllers (RORC)

All companies and Limited Liability Partnerships (LLPs) are reminded to file the information maintained in their Register of Registrable Controller with ACRA by 30 Jun 2021 to avoid penalties. This can be done at the "Update Register of Registrable Controller" transaction in BizFile+ portal. Entities that had already filed their RORC information with ACRA do not need to do so if there are no changes to the information.

Get business guidance with e-Advisers

To better assist aspiring business owners to navigate the process of starting, running and growing a business, the GoBusiness portal has introduced a variety of e-Advisers and online guides to help business owners start a business easily.

Business owners simply need to answer a few questions about their business for the e-Advisers to provide helpful recommendations, such as the type of business structure to set up or the licences required to run the business.

Enhancing audit quality in ASEAN

ACRA officers shared our audit inspection experiences and initiatives with about 150 delegates at the 8th ASEAN Audit Regulators Group (AARG) Inspection Workshop. The virtual workshop also saw officers from the Public Company Accounting Oversight Board (U.S.) sharing on the use of technology tools for future of audit inspection. To provide more insight on regional efforts to raise audit quality, the workshop also invited audit committee representatives from Singapore and Thailand to discuss the role of audit committees in enhancing audit quality.
