## ACRA Hosts Sir Winfried Bischoff (19 Sep 2017)

Sir Winfried Bischoff, Chairman of the Financial Reporting Council (United Kingdom) recently visited ACRA. ACRA Chairman Ms Lim Soo Hoon hosted the meeting which saw a lively exchange of views on corporate governance and regulatory developments in the UK and Singapore. Sir Winfried was in Singapore to deliver the keynote address at the launch of the 8<sup>th</sup> Corporate Governance Week organised by the Securities Investors' Association of Singapore.

## Updated: ACRA Guidances for Registers of Controllers and Nominee Directors

The set of Guidances to help companies, foreign companies and LLPs comply with regulatory requirements to maintain a register of registrable controllers and the register of nominee directors, has just been updated. The updated guidances now include examples of supporting documents that companies are required to furnish upon request, and amendments in relation to updating the registers of controllers.

## Ask Jamie@ACRA – Another ACRA Service Initiative

On 1 Sep, we launched a virtual assistant 'Ask Jamie@ACRA' on the ACRA website to answer queries on matters related to ACRA 24/7. ACRA website is now also mobile responsive. The website will adapt to the size of any screen it is being viewed on including mobile devices. This makes it easier for smartphone and tablet users to navigate our website.
