- Recent BizFin^ Updates
Validation of XBRL Financial Statements
Validation Process

- **Prepare** XBRL financial statements, using
  - ACRA BizFin preparation tool; or
  - Any 3rd party XBRL preparation tool

- **Upload** XBRL financial statements through BizFin portal

- **Submit** XBRL financial statements as part of Annual Return filing

- **File** completed Annual Return

- **Validate** throughout the process
Validation rules

- **Genuine errors**
  - Please rectify such errors before filing
  - If XBRL data is correct, please seek exemption from specific business rules / XBRL filing.

- **Possible errors**
  - Please rectify if areas highlighted contains error
  - If XBRL data is correct, you may ignore the possible error without changes required.

Validation rules – Examples

- Mandatory / Derived mandatory rules

**Error Description**

Whether in directors' opinion financial statements are drawn up so as to exhibit true and fair view is a mandatory field and should be completed.

**Element(s) to check**
- Whether in directors' opinion financial statements are drawn up so as to exhibit true and fair view

**Section**
- Statement by directors and Independent auditors' report

**Error Description**

Year of appointment of signing auditor should be completed if Company is listed in a securities exchange in Singapore.

**Element(s) to check**
- Type of exchange on which company is listed (fromto_20110101_20111231) = Listed in securities exchange in Singapore
- Year of appointment of signing auditor

**Section**
- Filing information
- Independent auditors' report
Validation rules – Examples

- Rules to ensure correct submission of dates

  Error Description
  
  Current period start date should be earlier than or the same as current period end date.

  Element(s) to check
  
  - Current period start date = 01-01-2013
  
  - Current period end date = 31-12-2012

  FilingInformation
Validation rules – Examples

Rules to ensure disclosure of full set of financial statements

- Ensure that the full set of financial statements are submitted in text block

Error Description

Question: Specific key words are noted to be missing from the "Disclosure of complete set of financial statements [text block]". Is the complete set of financial statements provided in this text block under the section of "full set of financial statements"?

Disclosure of complete set of financial statements [text block] should contain the entire set of financial statements and it generally includes the following:
- Directors' report

Error Description

Question: The information submitted within "Disclosure of complete set of financial statements [text block]" contains less than 5000 characters. Is the complete set of financial statements provided in this text block under the section of "full set of financial statements"?

Disclosure of complete set of financial statements [text block] should contain the entire set of financial statements and it generally includes the following:
- Directors' report
- Statement by directors
Validation rules – Examples

- Rules to check against information from prior period filing
  - Check whether prior period values are provided correctly within XBRL file.
  - If current values in prior XBRL filing is incorrect, please file NOE (for typographical/clerical errors).

<table>
<thead>
<tr>
<th>Error Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Question: Are prior period values provided correctly?</td>
</tr>
<tr>
<td>Values provided for prior period in XBRL file are usually the same as what is submitted for the previous financial reporting period when there are no restatements, reclassifications or other changes to comparative amounts and there is no change in presentation currency.</td>
</tr>
<tr>
<td>Question: Please check whether the level of rounding is submitted correctly within current XBRL filing. If level of rounding for previous XBRL filing is incorrect, please file a Notice of Error (for typographical / clerical errors) with ACRA instead.</td>
</tr>
<tr>
<td>The values submitted for Total assets, Total liabilities and equity, Share capital and Revenue for prior period in current XBRL filing are more than or equal to 1000 times the values submitted for current period in previous XBRL filing.</td>
</tr>
</tbody>
</table>
Validation rules – Examples

- General checks across XBRL file
  - Misc_040 ➡ Ensure that the sum of child fields are the same as total. (Eg. The difference between gross carrying amount of PPE and accumulated depreciation = Net carrying amount of PPE)

<table>
<thead>
<tr>
<th>Error Description</th>
<th>Section</th>
</tr>
</thead>
<tbody>
<tr>
<td>The value provided for totals should be the sum of the values submitted for its child fields.</td>
<td></td>
</tr>
<tr>
<td>Element(s) to check</td>
<td></td>
</tr>
</tbody>
</table>
## Validation rules – Examples

- General checks across XBRL file

<table>
<thead>
<tr>
<th>Error Description</th>
<th>Section</th>
<th>Error ID</th>
</tr>
</thead>
<tbody>
<tr>
<td>Values should be provided for both the current and prior period. You may apply for exemption from this rule with ACRA.</td>
<td></td>
<td>Misc_006</td>
</tr>
<tr>
<td>Values should be provided for both the consolidated and company level.</td>
<td></td>
<td>Misc_007</td>
</tr>
</tbody>
</table>
Exemption Requests

- Depending on the FS of the company, exemption may be granted on a case-by-case basis:
  - File full XBRL with exemption from specific business rules (E.g. requirements for comparative periods)
  - File FSH instead of full XBRL
  - File FS in PDF

- Exemption from XBRL filing is not common. Unless companies are able to prove that their AGM FS is unable to adhere to ACRA taxonomy, companies are required to file according to filing requirements.

- Companies may request for exemptions through the BizFin portal: [https://www.bizfinx.gov.sg/ExempReq.aspx](https://www.bizfinx.gov.sg/ExempReq.aspx)
Common Mistakes in Preparation of XBRL Financial Statements
# Common mistakes in XBRL filing

<table>
<thead>
<tr>
<th>Common mistakes</th>
<th>Actions that preparers may take to ensure accuracy</th>
</tr>
</thead>
<tbody>
<tr>
<td>Incomplete set of financial statements is provided in text block under the section of “full set of financial statements”</td>
<td>Disclosure of complete set of financial statements [text block] should contain the entire set of financial statements and it generally includes the following:</td>
</tr>
<tr>
<td>Examples of incomplete set:</td>
<td>- Directors' report</td>
</tr>
<tr>
<td>- Providing only a list of statements</td>
<td>- Statement by directors</td>
</tr>
<tr>
<td>- Missing tables</td>
<td>- Independent auditors' report (if audited)</td>
</tr>
<tr>
<td>- Missing figures in tables</td>
<td>- Statement of financial position</td>
</tr>
<tr>
<td>- Missing notes / note numbers do not run in order</td>
<td>- Statement of profit or loss and other comprehensive income</td>
</tr>
<tr>
<td></td>
<td>- Statement of changes in equity</td>
</tr>
<tr>
<td></td>
<td>- Statement of cash flows</td>
</tr>
<tr>
<td></td>
<td>- Notes, comprising of a summary of accounting policies and other explanatory information</td>
</tr>
</tbody>
</table>

Ensure that the entire set of financial statements as used or tabled for purposes of the AGM is provided in the "Disclosure of complete set of financial statements [text block]".

Note: The text block of “full set of financial statements” is generated into PDF copy of AGM financial statements and made available as part of Annual Return extracts in ACRA register.
## Common mistakes in XBRL filing

<table>
<thead>
<tr>
<th>Common mistakes</th>
<th>Actions that preparers may take to ensure accuracy</th>
</tr>
</thead>
<tbody>
<tr>
<td>Financial statements generated from XBRL filing are not legible</td>
<td>Generate the AGM copy from the preparation tool and also check the review copy generated from portal (also available through Annual Return form) to ensure that the full set of financial statements generated is legible.</td>
</tr>
<tr>
<td>Examples of illegibility:</td>
<td>Ensure that you have reviewed the AGM FS copy before declaring in Annual Return under section “Statement of confirmation: Review copy of Financial Information generated from full set of financial statements in XBRL” to confirm that the information is legible and identical in content to the financial statements tabled at AGM.</td>
</tr>
<tr>
<td>- Overlapping information</td>
<td></td>
</tr>
<tr>
<td>- Data truncated / out of page</td>
<td></td>
</tr>
<tr>
<td>- Unrecognisable characters</td>
<td></td>
</tr>
<tr>
<td>Example of data being truncated</td>
<td></td>
</tr>
</tbody>
</table>

Note: The text block of “full set of financial statements” is generated into PDF copy of AGM financial statements and made available as part of Annual Return extracts in ACRA register.
# Common mistakes in XBRL filing

<table>
<thead>
<tr>
<th>Common mistakes</th>
<th>Actions that preparers may take to ensure accuracy</th>
</tr>
</thead>
<tbody>
<tr>
<td>Non-submission of information within minimum requirement list (e.g. not providing breakdown to notes when available in AGM financial statements)</td>
<td>Familiarise yourself with the minimum requirement list templates. <em>(The templates required under minimum requirement list are provided by default in the preparation tool. Further reference is also available under “Appendix A – ACRA Taxonomy 2013”: <a href="https://www.bizfinx.gov.sg/Documentation.aspx">https://www.bizfinx.gov.sg/Documentation.aspx</a></em></td>
</tr>
<tr>
<td>Common notes being provided without breakdown when breakdown should be given:</td>
<td>Ensure that the templates required under the minimum requirement list are completed whenever the data required is available in the AGM financial statements. Fields are left blank only when the fields are not applicable based on the AGM financial statements.</td>
</tr>
<tr>
<td>- Property, plant and equipment</td>
<td></td>
</tr>
<tr>
<td>- Trade and other receivables</td>
<td></td>
</tr>
<tr>
<td>- Trade and other payables</td>

### Current assets

- Cash and cash equivalents: 7 10,759 1,175 2,074 647
- Trade and other receivables: 8 127,916 123,656 89,371 55,895

**Accounting standards used: SFRS**

**Note 5 - Summary of Significant Accounting Policies (continued)**

**Description of Accounting Policy for Basis of Preparation**

The financial statements have been prepared in accordance with Singapore Financial Reporting Standards ("FRS") as required by the Singapore Companies Act and under the historical cost convention, except as disclosed in the accounting policies.

The financial statements are presented in Singapore Dollar, which is the Company’s functional currency. All financial information is presented to the nearest dollar.

</tbody>
</table>
| - Type of accounting standards used (e.g. SFRS – Singapore Financial Reporting Standards or SFRS for SE – SFRS for Small Entities) | Type of accounting standards  
Usually mentioned in auditors’ report and notes to financial statements. *Note: use of SFRS for SE may be less common*  

   **Accounting standards used: SFRS**  

   **Notes to financial statements**  

   2 Significant accounting policies  

   2.01 Basis of preparation  

   These financial statements have been prepared in accordance with Singapore Financial Reporting Standard for Small Entities ("SFRS for Small Entities"). The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.  

   **Qualified Opinion**  

   In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standard for Small Entities so as to give a true and fair view of the state of affairs of the Company as at 31 August 2013 and the results, changes in equity and cash flows of the Company for the year ended on that date.

| Payments to suppliers for goods and services | XXXXX |
| Cash flows from (used in) operations | XXXXX |
| Income taxes paid (refund) | (XXXXX) |
| Interest paid | XXXXX |
| Net cash flows from (used in) operating activities | XXXXX |

Illustration of presentation by "indirect" method for statement of cash flows

Operating activities

| Profit (loss) | XXXXX |
| Adjustments for: | |
| Finance costs | XXXXX |
| Dividend income | (XXXXX) |
| Operating cash flows before movements of working capital | XXXXX |
## Common mistakes in XBRL filing

<table>
<thead>
<tr>
<th>Common mistakes</th>
<th>Actions that preparers may take to ensure accuracy</th>
</tr>
</thead>
<tbody>
<tr>
<td>Incorrect mapping of data</td>
<td><strong>Map data using taxonomy elements that are relevant (in the taxonomy / templates).</strong> Refrain from using “others” items unless there is no related taxonomy element</td>
</tr>
<tr>
<td>Using outdated data from previous year (E.g. whether the number of employees is more than 50 / whether there is modified opinion in auditors’ report)</td>
<td>Preparers using XBRL financial statements from the prior period (e.g. FY2013) as a reference, should <strong>ensure all data are updated and accurate for the current period XBRL filing</strong> (e.g. FY2014)</td>
</tr>
<tr>
<td>Non-provision / zero provided for note – share capital: number of shares outstanding</td>
<td>Number of shares outstanding refers to number of shares issued, paid and unpaid</td>
</tr>
</tbody>
</table>
Recent BizFin^ Updates
May 2015 version

- To cater for changes in taxonomy with changes in the amended Companies Act.
- Also contains additional bug fixes and enhancements
- This new version of taxonomy and preparation tool must be used with effect from **01 July 2015**.
- All Excel / XBRL.zip files prepared using earlier versions of the preparation tool can be opened and edited in version 2.3.0, and this should not result in any loss of data.
May 2015 version – summary of key changes:

- “Finance costs” for FSH: enter finance expenses with negative sign and finance gains with positive sign (new guidance notes)
- “Auto Calculate Total” function added for note-PPE
- “Shares outstanding” changed to “shares issued”
- New business rule for no. of shares issued to be more than zero
- List of changes to prep tool templates, business rules and error messages, human readable copy (i.e. AGM/review FS generated from prep tool) and bug fixes are available in the release notes in the new version 2.3.0 of the prep tool download file
Reference Guides

- Updated guides available on the BizFinx portal:

Free Data Analysis

- Free data analysis for all SingPass holders
- No restrictions on the number of reports generated
- Previously made available only to company officers (directors and company secretaries)
  - Upon filing of Annual Return with XBRL (full set or FSH)
  - One-time usage each year
- Printed (PDF format) and online (interactive graphs) reports available
Free Data Analysis

- Financial ratios available for analysis:
  - Revenue growth, Net profit margin, Return on assets, Total asset turnover
- Trend analysis and industry comparison
