

## **Business Renewal**

### **Q1: How do I renew my business registration?**

**A:** Renew your business registration via [Bizfile](#). You may wish to refer to a detailed guide [here](#).

### **Q2. How do I check my expiry date for my business registration?**

**A:** You can check your business registration expiry date by filling up our online [form](#). We will email you the expiry date within 15 minutes along with information about your next course of action.

### **Q3. When will I receive the renewal reminder letter to renew my business registration?**

**A:** You will receive the renewal reminder letter 60 days before your business registration expires. You will also receive an SMS reminder 30 days before your registration expires if you have not renewed your business registration. Please login to [Bizfile](#) to ensure your address and mobile number is updated.

### **Q4. Where will the renewal reminder letter be sent to?**

**A:** The reminder letter will be sent to your residential address. You may wish to login to Bizfile to check if you address has been updated.

### **Q5. I did not receive my renewal reminder letter. What should I do?**

**A:** Please check your physical mailbox for any letters or log in to your Bizfile account and check your Bizfile inbox. A notification will also appear in the Bizfile inbox and you may proceed to renew at any time 60 days prior to the expiry date.

### **Q6. What happens if I renew past the expiry date?**

**A:** You may face late renewal penalties. Please renew as soon as possible to avoid penalties or cancellation.

**Q7. What happens if my entity is cancelled?**

**A:** An entity may be cancelled 60 days after the expiry date. If your entity is cancelled, you can request to restore your business through the [Apply to Restore Business Entity eService](#).
